DETAILED ACTION

1. This office action is responsive applicants amendment 4-3-2006 and the petition decision mailed on 07-11-2006. The applicants filed a renewed petition under 37 CFR 1.78(a)(3), on April 3, 2006, to accept an unintentionally delayed claim under 35 U.S.C § 120 for the benefit of priority to the prior-filed nonprovisional applications. The petition is Granted (See petition decision mailed on July 11, 2006 for further details). Since the petition is granted and the application met all other requirement under 35 USC § 120 and 37 CFR 1.78(a) (1) and (a)(2), this application is entitled to the benefit of the prior-filed application.

Response to Amendment

2. In amendment with respect to the Specification filed on April 3, 2006 is acceptable.

Priority

3. Acknowledgment is made of applicant's claim for foreign priority under 35 U.S.C. 119(a)-(d). The certified copy has been filed in parent Application No. 10/302,606, filed on November 23, 2002.

Response to Arguments

4. In the previous office action, claims 1-8 are rejected as anticipated by Silverbrook US 6,247,792. The prior art Silverbrook (US 6,247,792) stands on the priority line of the present application (See amendment to the Specification filed on April 3, 2006 and Petition Decision mailed on July 11, 2006). Since the petition to accept an

Art Unit: 1765

unintentionally delayed for the benefit of priority is granted, the examiner withdraws the previous ground of rejection based on Silverbrook (US 6,247,792) reference.

Allowable Subject Matter

5. Claims 1-8 are allowed.

6. The following is an examiner's statement of reasons for allowance: The cited prior art fail to disclose or suggest the step of etching away the sacrificial layer to free each actuator and closure member in combination with all other limitation in the claims.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Binh X. Tran whose telephone number is (571) 272-1469. The examiner can normally be reached on Monday-Thursday and every other Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nadine Norton can be reached on (571) 272-1465. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR.

Art Unit: 1765

Status information for unpublished applications is available through Private PAIR only.

For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should

you have questions on access to the Private PAIR system, contact the Electronic

Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a

USPTO Customer Service Representative or access to the automated information

system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
